

## Thank you for racing with the Great Lakes Super Sprints

*Below is some basic information regarding our series and our events.*

- We do NOT require you to purchase a membership or insurance to race with us. There is a \$35 entry fee that will be deducted from non-member checks at payout. Members will have a \$15 entry fee and will receive \$20 in cash at payout to offset the non-member entry fee.
- Please complete the necessary forms (Driver Entrant Form\Entrant Agreement\W-9) and return them before you come to the pill draw.
- **We have a tire rule: The Right Rear must be an American Racer 105"x17"x15" - MC, The Left Rear must be an American Racer SD38, Front tires can be any 85"x 8.0" x15" sprint car tires.**
- The minimum weight is 1,475 (steel block)/1,500 (BRODIX SPEC aluminum) pounds with the driver and ALL cars MUST report to the scales when they exit the track after qualifying. We qualify one, two, or three cars at a time for 2 laps.
- Payout will be approximately 15 minutes after the A-Main at the GLSS Command Center. Please pick up your check and return your transponder within 30 minutes of the A-Main.
- **We have mandatory stickers. The location and requirements for each are on display at the Great Lakes Sprints Command Center.**
- We use the Westhold (yellow) G3 transponders. If you have your own, please bring the serial number to the pill draw. You must have a pouch – pouches are available for sale for \$20.
- Transponders will be mounted on the right front gusset, mount the pouch in the vertical position, drop the transponder in the pouch so that the rounded top is at the top of the pouch.
- There is a driver/crew meeting at the Great Lakes Sprints Command Center. The time of the meeting is posted at the command center on the line-up board. Missing the driver's meeting is not an exception for misunderstanding later in the night.
- The race track is responsible for the preparation of the racing surface. They will work the track as they see fit. They may ask for the Series' opinion, but the track officials (not GLSS) make the final decision of how and when to prep the track.
- Like you, The GLSS Staff has a day job outside of racing. We try our best to see and make the right calls as they happen. Once the call has been made that call will be final (no videos or replays). If we learn later that a bad call was made, we will make every effort to keep that from happening again.

If you have any questions on tonight's procedures, please feel free to ask any of the GLSS Officials listed below.

**Barry Marlow** – Owner / Series Director

**Zach Hiser** – General Manager / Announcer

**Aaron Kistner** – Race Director

**Anthony Boyd** – Scoring and Line-Ups / Registration

**Alaina Kistner** – Administrative Manager

**Gale Nungesser** – Pit Stewart

**Mark Aldrich**– Tech Inspector / Scales

**Noah Longyear**– Digital Media Producer

Thank you again for coming, we know you have many options on where you can race and we are glad you chose to race with us. If you have any comments and/or suggestions, please feel free to let us know.
